ANSWER KEY

Full Stop at the End: Learn and Practice (answers)

End a telling sentence with a period

Read each question. Circle the best answer.

1 🍰 Which sentence has a period at the end?

A. I like, cake B. I like cake

C. I like cake.

I like cake has a period after the last word. Sweet!

2 🦊 Which sentence has a period at the end?

A. The fox is red B. The fox, is red

C. The fox is red.

The fox is red ends with a period, so we know it is finished.

3 What mark goes at the end of a telling sentence?

A. a question mark **B. a period**

C. a comma

A telling sentence ends with a period, the little dot. It means the sentence is done.

4 What is missing? We play outside

A. a capital letter at the start

B. a space between words

C. a period at the end

We already starts with a capital, and the spaces are there. It needs a period at the end.

5 🐸 What is missing? The frog can jump

A. a capital letter at the start

B. a period at the end

C. a space between words

The sentence starts with a capital T. It still needs a period after jump.

6 Where does the period go in a sentence?

A. at the start **B. at the end**

C. in the middle

The period goes at the very end, after the last word.

7 🐱 Which sentence is finished the right way?

A. The cat sat on the mat.

B. The cat sat on the mat

C. The cat. sat on the mat

The period belongs after the last word, mat. Then the sentence is complete.

8 📚 Which sentence has a period at the end?

A. We like to read B. We, like to read

C. We like to read.

We like to read has a period at the end. Well spotted!
