🎤 The Talent Show

Priya signed up for the school talent show, but she was not sure what her talent was. Her friend Gabe could juggle. Twins Lena and Lou could do cartwheels in perfect time. Priya could not juggle or flip.

"What do you love to do?" her mom asked. Priya thought about it. She loved telling jokes. She told jokes at dinner, on the bus, and even to the dog. "Then that's your talent," Mom said.

Priya wrote ten jokes on note cards and practiced in front of the mirror. On the night of the show, her knees wobbled as she walked on stage. She told her first joke: "Why did the math book look sad? It had too many problems!" The whole room laughed. Priya relaxed and told the rest. When she finished, the audience clapped and cheered louder than for anyone else.
