Twin Trouble

Jada and Jaylen were twins, but they were not alike at all. Jada loved soccer and getting muddy. Jaylen loved painting and keeping things neat. They shared a bedroom, and it was a disaster. Jada's cleats ended up on Jaylen's paintings. Jaylen's paint water spilled on Jada's jersey.

One night they had a big argument. Their dad listened to both of them. Then he handed them a roll of blue tape. "Each of you design your half of the room," he said. "But you have to agree on the rules for the middle."

The twins sat down with paper and pencils. Jada got a hook for her cleats near the door. Jaylen got a shelf for paints by the window. In the middle, they made a reading nook with two beanbags. The rule was simple: no mud and no paint allowed in the nook. For the first time in months, the room was peaceful.
