ANSWER KEY

Trees All Year: Learn and Practice (answers)

How do trees change with the seasons?

Read each question. Circle the best answer.

1 🍁 In fall, many leaves turn what colors?

A. Red, orange and yellow

B. Black and white C. Blue and purple

Fall leaves turn red, orange and yellow before they drop.

2 🌲 Which tree stays green all winter?

A. A pine tree B. A maple tree

C. An apple tree

Pine trees keep their green needles all year round.

3 🍁 What kind of leaf is on the flag of Canada?

A. A maple leaf B. A pine needle

C. An oak leaf

The flag of Canada has a big red maple leaf in the center.

4 🌲 What do we call trees that stay green all year?

A. Sleepy trees **B. Evergreens**

C. Snow trees

Evergreen means always green, like pine and spruce trees.

5 ☀️ In summer, many trees are full of what?

A. Green leaves B. Bare twigs

C. Snow

Summer trees are full of green leaves soaking up the sunshine.

6 ❄️ In winter, what do maple trees look like?

A. Covered in pink fur

B. Bare branches with no leaves

C. Full of green leaves

Maple trees drop their leaves in fall, so their branches are bare all winter.

7 🌱 In spring, what grows on bare tree branches?

A. New green leaves B. Snowflakes

C. Rocks

In spring, buds open and new green leaves grow on the branches.

8 🌸 When do apple trees have pretty blossoms?

A. Late fall B. Winter **C. Spring**

Apple trees bloom in spring. Later, the flowers turn into apples.
