Voting Basics: Learn and Practice

How a group makes a fair choice together.

Read each question. Circle the best answer.

💡 Let's vote

- To vote means to make a choice.
- Each person gets one vote, and every vote counts the same.
- The choice with the most votes wins.
- We respect the result, even if our choice did not win.

ANSWER KEY

Voting Basics: Learn and Practice (answers)

How a group makes a fair choice together.

Read each question. Circle the best answer.

1 🗳️ What does it mean to vote?

A. to sing a song B. to take a nap

C. to make a choice

When you vote, you choose.

2 How many votes does each person get?

A. one B. as many as they want

C. three

One person, one vote keeps it fair.

3 Which choice wins a vote?

A. the one with the most votes

B. the one with the fewest votes

C. the one the loudest person picks

The most votes wins.

4 Your class votes for a game. 12 pick tag and 8 pick hopscotch. Which game wins?

A. hopscotch **B. tag** C. neither

12 is more than 8.

5 Your choice did not win. What should you do?

A. yell at others **B. respect the result**

C. refuse to play

Good voters accept the result kindly.

6 Why do we vote?

A. to skip recess

B. to make one person happy

C. to make fair choices as a group

Voting lets everyone have a say.
